IMPORTANT INFORMATION – PLEASE READ

Please complete this stat form, in as much detail as possible, and return immediately after your last game. Do not wait for All Conference or All State Honors, etc. You may call and/or fax this information as soon as it is announced. Include a headshot in uniform, if possible, if not, an action shot will suffice. Black and white preferred, colored and newspaper shots okay. On the back of your photograph be sure to include your name, class, position, high school and state. Unfortunately each year we receive great stat write-ups and performances, which are too late to include in our national brochure layout. Don't hesitate to fax your information back, including this form, to help expedite the process.
